What U2CA Offers

U2CA assists investors through **every stage of the EB-5 journey**—from understanding eligibility and evaluating the opportunity to coordinating documentation, investment processes and stakeholder communication.

Rather than acting as a project developer or immigration law firm, we serve as an **advisory partner**, connecting investors with experienced professionals across the EB-5 ecosystem.

Our Role

Initial Eligibility Consultation

We assess your profile and goals to determine suitability for the EB-5 program.

Investment Opportunity Introduction

We connect you with carefully vetted EB-5 projects that align with your objectives.

Documentation Guidance

We guide you on the required documentation and help you understand each requirement.

Coordination with Legal and Project Stakeholders

We facilitate communication between you, immigration attorneys, project partners, and other key parties.

Ongoing Investor Support

We remain with you at every step to ensure a smooth and informed investment journey.

Your Advisory Partner for a Successful EB-5 Journey

Trusted guidance. Personalized support. Stronger future.

WHAT IS EB-5?

The EB-5 Immigrant Investor Program was established by the U.S. Congress to encourage foreign investment into the American economy through projects that create employment.

Eligible investors may apply for U.S. permanent residency by making a qualifying investment in an approved EB-5 project.

KEY HIGHLIGHTS

Created under
the Immigration
Act of 1990

Investment
supports
U.S. job creation

Investor, spouse
and unmarried
children under 21
may qualify

No employer
sponsorship
required

Permanent
residency
subject to USCIS
approval and
program compliance

Why This Opportunity?

Our focus is on presenting carefully **selected opportunities** rather than a catalogue of projects. Every engagement is built around **transparency, credible partnerships** and projects that align with current **EB-5 requirements**.

★ Why We Choose This Project ★

Rural Targeted Employment Area (Rural TEA) designation

Eligible for lower minimum investment and greater immigration benefits.

Hospitality sector with tangible underlying assets

A resilient industry supported by strong demand and real, income-generating assets.

Sponsored by an established U.S. Regional Center

Backed by a proven track record and I-956F approval from USCIS.

Experienced legal, project and compliance ecosystem

A team of seasoned professionals ensuring regulatory compliance and best practices.

Structured to meet EB-5 job creation requirements

Designed to generate the required number of jobs in accordance with EB-5 regulations.

Focused. Transparent. Compliant.

Right opportunity. Right partners. Right process.

Two Ways to Participate

Whether you are exploring U.S. permanent residency for your family or advising clients on global investment opportunities, **U2CA** offers a structured pathway supported by experienced partners.
